For this study, your household will use diaries to answer questions about the mail you receive and send for one week, and we'll give you a gift for completing the diaries. Before I can get your diaries out to you, I need to get some information about your household, which includes you, members of your family and other people living in your home who are not related to you.

IF NEEDED – TYPICALLY ONLY NEED THIS KIND OF TERMINATION AT END OF A QUARTER; SEE CURRENT PROGRAM AND MODEL THIS TO MATCH: Your household was selected to participate in the diary study the week of _____. If you're wondering why you received a letter from the U.S. Postal Service, allow me to explain. If you are like most Americans, you depend on an uninterrupted flow of mail to and from your home. The U.S. Postal Service aims to provide exceptional delivery performance and is proud of its 94 percent on-time service record for First-Class Mail. To help ensure and continue this superior level of service in the 21st century, the U.S. Postal Service is conducting its 22nd annual **Household Diary Study**.

That's why you, along with others in your area, were selected to answer questions about the mail received and sent by your household for a period of one week. We will provide your household with postal diaries in which to record this information, along with easy to read instructions on how to complete the diaries. **This information will help us make important decisions** about performance improvements and investments in new equipment; facilities, programs and technologies **to better serve you**. Ultimately, the data we collect will be used to analyze ways of **keeping the cost of service at a minimum**.

As thanks for your time and participation in this study, you will have a choice of ONE of the following:

- **Thirty dollars**
- **100 First-Class stamps**

A survey specialist from NuStats, an independent firm conducting this research on our behalf, will contact you shortly to begin the survey and answer any questions you have about the study. USPS Household Diary Study

What is the Household Diary Study?

The Household Diary Study is a national research effort sponsored by the U.S. Postal Service. Ultimately, the data will be used to find ways of keeping the cost of service at a minimum.

The study is conducted on our behalf by NuStats, a professional research firm in Austin, Texas. NuStats ensures all information collected is strictly confidential and is used for our research purposes only. The information from your household will be used only in combination with data from other participating households.

What are we asking of you?

Answer questions about ***all the mail and packages*** your household ***receives*** and ***sends*** for seven days.

Common Terms & Questions

Here are definitions of some of the terms that we use throughout the Household Diary materials and the most frequently asked question.

Common Terms

- **Mail Pieces** are the different pieces of mail that you receive and send - letters, bills, postcards, magazines, advertisements, packages, etc.
- **Mail Markings** are markings that are printed on a mail piece either by the post office or the mailing house. These markings indicate the postage paid and the type of mail.
  The Postage and Mail Markings are typically located in:
  a) the top right-hand corner of the mail piece,
  b) above or below the address or
  c) inside the window of an envelope.
- **Mail Type** is the category of mail that we ask you to sort your mail into. *(See the list of 7 mail types on page 1 of this booklet.)*
- **Postage** is how the piece of mail was paid for when it was sent**.** There are three different types of postage: Stamps, Meter or Permit. *(See the visual examples under the color-coded tabs for each mail type*.)

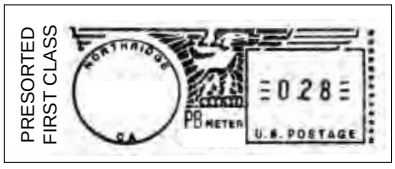

What is the difference between First-Class Mail and Presorted Standard Mail?

These are the two most common mail types. Here are some ways to help distinguish between them:

- **First-Class Mail** from businesses are often marked “First-Class” or “Presorted First-Class” especially when they don’t have stamps. If the mail piece just has a stamp or metered strip without any of these markings, it is likely First-Class Mail.
  Hint: Most letter-size envelopes will have postage of 42¢ or more, either in First-Class stamps, a metered strip, or a “Forever Stamp.”
  If it is **Presorted First-Class**, it may have less postage but it will say “Presorted First-Class.”
  (See pages 5-9 in this booklet for descriptions & more visual examples.)

- **Presorted Standard** Mail pieces are always marked “Presorted Standard” or “PRSRT STD,” usually in the upper-right corner of the mail pieces close to the stamp or meter strip.

How do I fill out the Answer Booklets?

1 Sort your daily mail into groups by the type of mail.

The first step is to sort your mail each day into groups of mail types by looking at the postage and other markings on your mail (we call these "mail markings"). All the mail you receive can be classified under one of the following 7 types*:

1. **First-Class or Presorted First-Class Mail** (Purple pages)
2. **Presorted Standard Mail (PRSRT STD)** (Blue pages)
3. **Nonprofit Organization Mail** (Gray pages)
4. **Packages or Product Samples, Not Expedited** (Green pages)
5. **Expedited Letters & Packages** (Gold pages)
6. **Magazines, Newspapers, or Other Periodicals** (Yellow pages)
7. **Unaddressed Mail** – Delivered by US Postal Service only (Peach pages)

To Sort: Look at the Postage & Mail Markings

Postage & Mail Markings can be:

- in the top, right-hand corner,
- above or below the address, or
- inside the window of an envelope.

***To help you sort your mail, see the examples of postage and mail markings under the colored tab associated with each mail type.**

We are only interested in your household mail:

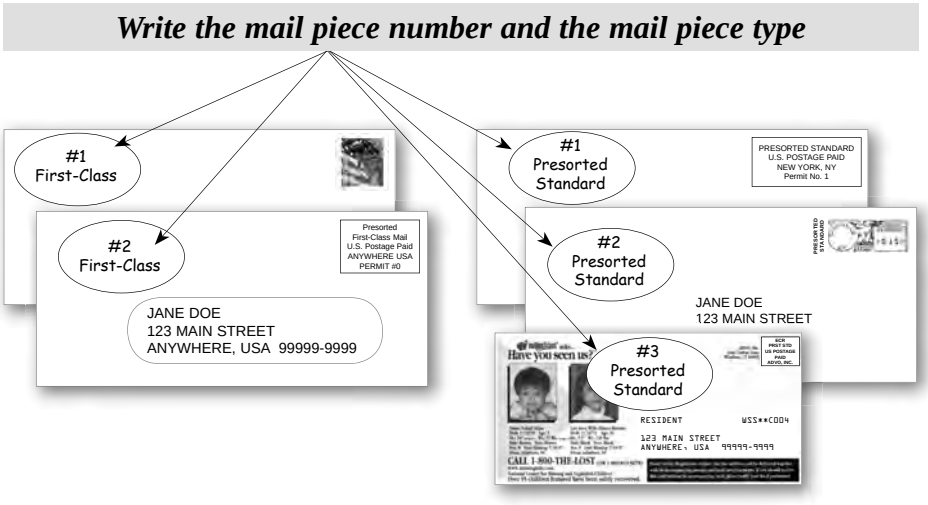

- Please DO NOT include any mail received or sent for a business, club, or association operated from your home.
- Only record mail sent to your home, DO NOT include any mail sent to your P.O. Box.

Special Circumstances

- If you did not receive or send any mail or packages, or if there was no mail service one day during your assigned week, put an "X" in the box labeled "Did Not Receive or Send any Mail/Packages Today" on page 1 of the Answer Booklet for that day.
- If household members will be away from home on any day(s) during the diary week, record all mail received in the daily answer booklet for the day you return.
- If you forget to pick up your mail for a day, record all mail received under the next day.
- Sunday is included in your diary week. You may not receive mail on Sunday, but you may receive packages and/or send mail out.

2 Number the mail pieces within each type of mail.

Once your mail is grouped for that day, write the mail type on each piece of mail and then number the mail pieces within each type. For example, the top First-Class mail piece is #1, the next is #2, and so on until you have numbered all First-Class Mail for that day. Next, number all the other types of mail (Presorted Standard, Nonprofit, Packages, etc.) beginning again with #1, and then #2, and so on for each different mail type.

3 Complete the Summary Page (page 1) in the Answer Booklet for each day.

On this page, record the total number of mail pieces of each type that all members of your household received and sent that day. *(See Summary Page example below.)*

If you did not receive or send any mail or packages, or if there was no mail service one day during your assigned week:

Put an "X" in the box labeled "Did not Receive or Send any Mail/Packages Today" on the summary page for that day.

4 Open both the Question Booklet (bound by staples) and the Answer Booklet for that day to the colored pages for the type of mail piece you have.

Read the questions from the Question sheet (in the Question Booklet) and find the correct answers (number codes), then write them on the Answer sheet in the Answer Booklet. There are colored pages for each type of mail: First-Class Mail is purple, Presorted Standard Mail is blue, etc. **Note: You use a different Answer Booklet for each day of the week but you use the same Question Booklet each day.** You can record up to 12 mail pieces for each mail type. Remember, the postage on the mail piece determines which colored Question and Answer sheets to use.

1. For each question (identified by A, B, etc.), write in the answer using the correct number code on the Answer sheet in the Answer booklet for that day.
2. Starting with mail piece #1, Question A, write the answers under column #1. Using the Question Booklet, continue with Question B, going vertically down the page.
3. After you are finished answering questions for mail piece #1, continue to answer questions for mail piece #2 in column #2. Continue in this way for each mail piece within each type.

Mail Markings are important.

Tell us which mail markings are on the mail piece by answering the "Mail Classification" question at the end of each Question sheet (e.g. Question K for First-Class Mail).

To accurately answer this question, you need to record all the mail markings that are on each mail piece - these markings are placed on the mail piece either by the US Postal Service or by a mailing house.

Question K - Class (First-Class Question sheet)

K. CLASS: Mail Classification ***(your mail pieces may show one or more markings - record all)***

To classify mail: (see pages 5 – 9 of the Instruction Booklet for examples of First-Class Mail)
Look at markings in top right-hand corner, above or below address & inside window

17. Can't classify type: *(Please mark & place in envelope along with other mail pieces for this day)*

Note: Please record packages under Expedited (Gold Pages) or Packages Not Expedited (Green Pages).

5 Please send us your mail pieces.

We only need the envelope your mail came in, not the contents unless it's something you don't need. Please DO NOT CUT OUT the individual mail markings.

- **Remember to label each mail piece with the number and mail type you assigned it in the Answer Booklet** so we are able to match it to your responses.
- **If the mail piece is a catalog, magazine, flyer, or newspaper, just send the page with the mailing label and the postage.** We don't need the entire catalog or newspaper, etc.

Why do we need your mail pieces?

If we have your mail markings for each piece, we can double check that everything is correct. Each packet goes through an editing process that verifies that the mail pieces were recorded under the correct mail type (First-Class, Presorted Standard, etc.) and that all the questions were answered. The entire mail piece (e.g., the envelope) provides us with additional survey information, such as sender type.

All information collected is strictly confidential and is used for research purposes only.

6 Place completed Answer Booklets and mail pieces in the envelopes marked Monday through Sunday.

Your completed answer booklets and mail pieces should be placed in the corresponding daily envelope. Please include the mail pieces with the mail type and mail piece number you have assigned.

7 Place the daily envelopes in the postage-paid Priority Mail envelope.

The daily envelopes with your completed answer booklets and mail pieces should be sent to NuStats in the postage-paid Priority Mail envelope.

First-Class Mail Received and Sent (Purple)

All First-Class Mail may not say "First-Class" on the envelope or postcard. It is important to look at the postage and mail markings on each mail piece to determine if it is First-Class or not. Use the following to help you determine if your mail piece should be recorded under this type:

- Include letter-size envelopes marked "**First-Class**" or "**Presorted First-Class**."
- Include large envelopes marked "**First-Class**." Check the mail markings carefully, some large envelopes may be marked Presorted Standard or Expedited.
- Most First-Class Mail from businesses are marked "**First-Class**" or "**Presorted First-Class,**" especially when they have a metered strip, not a stamp.
- If the mail piece just has a stamp without being marked "**First-Class**" or "**Presorted First-Class**," (or Presorted Standard or Nonprofit, etc.) it is probably First-Class Mail.
- Most letter-size envelopes will have postage of 41¢ or more either in stamps or on a metered strip (the postage may also be in the form of a "Forever Stamp"). If it is "**Presorted First-Class,**" it may have less postage but it will be marked as "Presorted First-Class."
- Postcards *usually* have 26¢ postage for First-Class *(27¢ after May 12th, 2008)*. Some postcards are larger in size than a typical picture postcard. However, if it is larger than the postcard dimensions on Page 2 of the Question Booklet, then it is considered a flyer.
- The most common First-Class Mail pieces are letters, bills, postcards, greeting cards, checks and money orders, etc.
- Include mail ***(that is not a package)*** sent with special services, such as Certified, Registered, or Insured.
- Include magazines, catalogs, newsletters or other periodicals that are marked "**First-Class**."

Presorted Standard Mail (Blue)

Use the following to help you determine if your mail piece should be recorded under this type:

- Include mail ***(that is not a package)*** that is marked "**Presorted Standard**" or "**PRST STD**" whether it is a letter, postcard, magazine, catalog, circular, or flyer, etc.
- Most **Catalogs** are sent Presorted Standard. However, check to make sure it is marked "Presorted Standard" or "PRST STD."
  Catalogs that are in envelopes marked "Bound Printed Matter" or items marked "Media Mail," or "Library Mail" should be recorded under "Packages or Product Samples Received (Not Expedited)" (Green pages).

Advertising often comes as a group of flyers, circulars, coupons or other pieces that are not in an envelope.* These types of advertisements can be delivered in two different ways:

1. Your address may be printed on a **detached label card** that is delivered with separate advertising pieces that are grouped or folded together.

   If you get a detached label card, please record it under "**Presorted Standard Mail**", and then record the group of advertising pieces as **ONE** mail piece (regardless of how many flyers or circulars, etc.) under "**Unaddressed Mail**" on the Peach pages.

2. Your address may be printed directly on the group of advertising pieces.

   Please record the whole group as **ONE** mail piece under "**Presorted Standard Mail**." Record code #7 for Question B and code #2 for Question D.

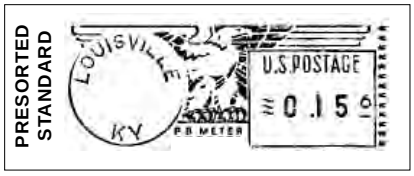

**Usually from more than one company or advertiser.*

Packages or Product Samples (Not Expedited) Received & Sent (Green)

Use the following to help you determine if your mail piece should be recorded under this type:

- Include all packages or boxes - large or small that were **not** sent Expedited (1 or 2 day service). Packages that were sent Expedited should be recorded under "**Expedited Letters & Packages**" (Gold pages).

- Include all packages received or sent via the United States Postal Service (USPS) as well as packages delivered by any other organization, such as the United Parcel Service (UPS), Federal Express, DHL, etc. that were **not** sent Expedited (1 or 2 day service).

- Be careful to distinguish between packages delivered by the United States Postal Service (USPS) and those delivered by the United Parcel Service (UPS). The United States Postal Service (USPS) markings include an Eagle while the United Parcel Service (UPS) markings have a shield.

- **Do not include Priority Mail** packages. These should be recorded under "**Expedited Letters & Packages**" (Gold pages).

- Include product samples that were delivered by any organization except those included in the newspaper.

Expedited Letters & Packages Received & Sent (Gold)

Use the following to help you determine if your mail piece should be recorded under this type:

Magazines, Newspapers, or Other Periodicals (Yellow)

Use the following to help you determine if a Magazine, Newspaper, or other Periodical should be recorded under this type:

- **Only** include magazines, newspapers, or other periodicals that are delivered by the United States Postal Service (USPS) and that are NOT marked First-Class, Presorted Standard, or Nonprofit Organization. If they are marked with any of these other postage types, record them under the section for that type of postage.

- Examples include daily, weekly and monthly magazines, alumni or fraternal magazines and newspapers.

Do not include the following items under this section:

- Newspapers delivered by your local news carrier. [Do not include these in the diary study.]

- Magazines and newspapers you bought at the store or a newsstand. [Do not include these in the diary study.]

- Catalogs, which are typically sent “Presorted Standard (PRSRT STD).” [Check the postage type; these will likely be recorded in the Presorted Standard section.]

Unaddressed Mail
(Peach)

Use the following to help you determine if your mail piece should be recorded under this type:

- Only include materials delivered by the United States Postal Service (USPS).
  Do not include advertising material that has been left at your door, material hung on your doorknob, or left on your car.

- Include mail that doesn't have an address label (not even "Occupant" or "Resident"). Typically, this will only be weekly advertising flyers/circulars that are folded or grouped together and do not have an address label or postage on each piece. Simply record the whole group as ONE mail piece.

  (Please refer to Page 10 in this booklet for additional information on recording unaddressed mail that comes along with a detached label card.)

Example

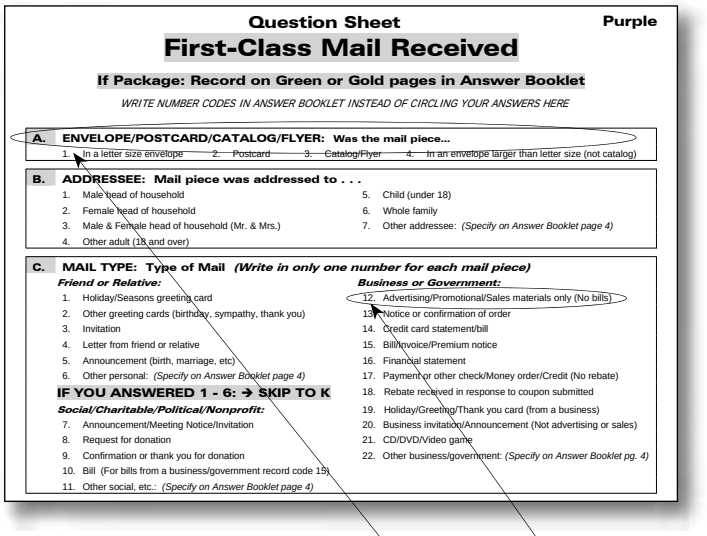

Once you've sorted and numbered your mail pieces, you are ready to begin recording information. Remember to use the postage and the mail markings on the mail piece to help you determine the mail type ***(see page 1 of the Instruction Booklet for how to sort and number your mail)***.

You need both this Question Booklet and the Answer Booklet. Open both this Question Booklet and the Answer Booklet to the color-coded pages for the type of mail you have (e.g., purple pages are First-Class Mail, blue pages are Standard Mail, etc.).

Each question sheet contains both questions (letters A, B, C, etc.) and answer codes (numbers 1, 2, 3, etc.) **Don't record your answers in this Question Booklet; instead, use the corresponding daily Answer Booklet.** Record the number that best matches your response.

Answer the questions about each mail piece down the answer sheet. For example, if you receive four (4) First-Class mail pieces on Monday, you will record answers about mail piece #1 in the first column, and about mail piece #2 in the second column, mail piece #3 in the third column and #4 in the fourth column.
